Rail Safety Worker Health Assessment Category 1, 2 and 3

REQUEST AND REPORT FORM

Rail worker's name:		Date:	
Name of rail transport operator:	Australian Society of Section Car Operators, Inc		

CONFIDENTIAL:
The completed form should be returned to the rail transport operator.
A copy should be retained by the Authorised Health Professional (AHP).

Instructions to the Authorised Health Professional

- You are requested to conduct a health assessment to assess the rail safety worker's fitness for duty according to the details provided in PART A of this form and according to the *National Standard for Health Assessment of Rail Safety Workers*.
- You must sight photo identification of the rail safety worker/applicant (e.g. driver's licence).
- Please perform the assessment, complete PART B of this form and return the whole form to the rail transport operator according to contact details in PART A below, within 7 days of the assessment, OR should the worker be assessed Unfit for Duty, please contact the operator immediately by phone so that appropriate rostering changes may be made. Please keep a copy of this form for your own records.
- You should have the required pathology (non-fasting cholesterol, HDL and HbA1c) and ECG results available for the assessment. This applies to Category 1 Safety Critical Workers at Pre-placement, Change of Grade and Periodic Health Assessments.
- Requirements for audiometry are noted in Part A of the form. This will be arranged separately if audiometry facilities are not available at your practice.
- You may need to contact the worker's nominated doctor to discuss conditions that may affect their fitness for duty. Such contact should be made with the worker's signed consent (see Record for Health Professional).
- Details of the assessment should be recorded on the Record for Health Professional. This record is confidential and should be retained by you, not returned to the operator.
- For more detailed information about the conduct of health assessments for rail safety workers see the *National Standard for Health Assessment of Rail Safety Workers*.
